**ORDER GRANTING MOTION TO FILE
SUPPLEMENTAL EXHIBITS**

Re: Doc. No. 36

12
13 Brown filed her motion for entry of supplemental exhibits at almost the same time that the
14 Court issued its order on the cross-motions for summary judgment. The Court considers Brown's
15 filing to be a motion to supplement the record. So construed, the motion is granted. The Court
16 has considered the supplemental exhibits and finds that they do not affect the ruling.
